APPLICATION FOR POTENTIAL PUPPY PURCHASE

Thank you for your interest in a Great Dane. This application is not a commitment on the part of the Breeder or Purchaser, only a "first step". We require this application to be completed by potential puppy purchasers in order to be on our waiting list. You may fill out this application electronically and email it to us for quicker consideration, but before purchase we will ask you to fill it out in ink and mail it to us.

These applications and agreements may seem a little extravagant, but please know that we ask these things only for the good of our puppies because we are determined to find them the best homes possible. Great Danes are BIG dogs and along with that comes BIG responsibilities. We ask that potential homes do the proper research to ensure that a Great Dane puppy is right for you. We want to make sure that you are well aware of what owning a Great Dane includes and how it can be very time consuming, as well as very expensive, but also very rewarding. We want to make sure that we fulfill our responsibility to our puppies, as well as our responsibility as breeders, to find them good and HAPPY homes.

Please be aware of a few of our policies:

A suitably fenced yard is required; "invisible" fencing is not sufficient or acceptable.

Attendance at a puppy kindergarten/obedience class is required.

A crate to assist with housebreaking and to prevent destruction is required. Crates must be Dane Specified and must be at least 36 inches tall. 30 inch crates are not acceptable for adult Great Danes.

Pet puppies are required to be spayed or neutered, No exceptions.

The dog must be maintained as a house pet. No Exceptions. Research proves that Great Danes can NOT live outside!

The Dane will be micro-chipped before it leaves for a new home and my name, as well as the new owners, will remain on the call list for the life of the dog.

*If for any reason you are unable to keep the puppy/dog at any point in the future, you are required to send the puppy/dog back to us, the breeders/Water Dance Danes, unless an agreement can be reached with another suitable home. It must be discussed with us first.

You must be willing to follow my instruction on feeding, training, and vet care.

For more pre-sale conditions; please contact me.

A copy of our sale contract is available upon request to serious inquiries.
